

MISSION

The schools of the Freehold Regional High School District form a diverse, supportive community offering innovative, comprehensive programs that inspire students to maximize their potential, empowering them to be productive citizens prepared to navigate an ever-changing world.

Objectives

All students will actively participate in their community and the civic process.

All students will explore and pursue an individualized post-secondary plan.

All students will exceed expectations for proficiency on local, state, national, and international assessments.

Strategies

1. We will guarantee a professional culture that is committed to excellence and the success of every student.
2. We will implement an organizational structure that promotes collaboration, integration, and continuity.
3. We will build systems that guide students through the process of planning and achieving individualized goals.
4. We will create and maintain a forward-thinking and state-of-the-art technology-infused approach to teaching and learning.
5. We will implement and monitor integrated, articulated curricula and programs that achieve the district's mission.
6. We will cultivate meaningful and successful partnerships with the broader community to provide opportunities for articulation, participation, learning, and career exploration.
7. We will promote student involvement in school and community activities and organizations.
